

Experience and Enjoy
the Benefits of our

Day Stay Program

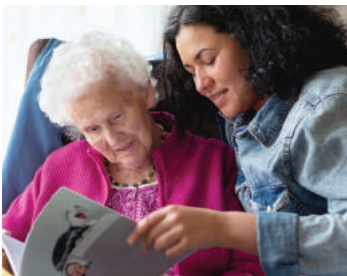

*Where Life is
Happening*

As fearless advocates for persons living with dementia, our team preserves dignity, shows love and provides opportunities for purposeful pursuits.

Experience our comprehensive adult day stay program for your loved one to remain purposefully engaged in a secure environment.

Full or Half Day Stays include all the benefits of life enriching activities, our sensory spa, and personal care assistance as needed with real time updates through our Sagely technology.

Your loved one may enjoy their day stay at our community so much they may never want to leave.

Our DAY STAY program INCLUDES:

- **Full Day Stays** include hydrating beverages, snacks, and 3 healthy meals to help enhance cognition.
- **Half Day Stays** include 1 healthy meal, snacks, and hydrating beverages.

The "Live Intentionally" Memory Care Program was specially created to provide support and tailored care for residents with Alzheimer's and other forms of dementia.
